Test for “H2ready” for Fittings made of PE

The results of the test are documented in the following test report.

B 23/11/4228 | 03.11.2023

Based on this test mark confirmation, the applicant

NTG Plastik Sanayi ve Ticaret A.S.
(Seyhli Mah. Ankara Cad. No. 326 Kat:1, 34906 Pendik - Istanbul, Turkey)

is authorized to apply the quality mark H2ready for the above mentioned products in accordance with the
statutes. The test confirmation is valid until 02.11.2026.

Dipl.-Ing. Ronald Aßmann
Leiter Prüflaboratorium

Freiberg, den 06.11.2023

DBI - Gastechnologisches Institut gGmbH Freiberg | DVGW-Prüflaboratorium Energie
Halsbrücker Straße 34 | D-09599 Freiberg, Germany | pruefstelle@dbi-gruppe.de

This test confirmation is the English language version. In case of doubt the wording according to the German language version of the test confirmation is valid.

This test confirmation attests to the compliance of the products mentioned with the technical requirements in the test specifications mentioned above. It does not confirm standard conformity of the tested products. The H2ready warranty mark is only valid in conjunction with the above-mentioned test report(s). If conditions are specified in the test reports associated with the warranty mark, the right to use the warranty mark does not commence until they have been implemented.
